Australia-United States Free Trade Agreement (AUSFTA) Statement of Compliance

I, Aaron Knight of Geo Knight & Co Inc
(name) (company name)

hereby authorise Rohlig Australia to claim preferential duty rates on the following goods/ parts from my
USA Supplier: Geo Knight & Co Inc located at 52 Perkins St Brockton MA 02302
(company name) (company address)

A. All goods/parts supplied by the above mentioned supplier qualifies for AUSFTA rule as indicated below:

Please indicate which preference rule applies:

☐ Rule - POM (S.153YB, S.153YC C/A 1901) "Produced entirely from originating materials"

☐ Rule - PS (S.153YE, S.153YF, s.153YH or S153YI, C/A 1901) "Product specific rules"

☒ Rule - WO (S.153YB, C/A 1901) "Wholly obtained goods"

I understand that to claim preferential rates of customs duty under AUSFTA, our company must possess the information, or knowledge, that the imported goods qualify for preferential duty rates under the relevant rule of origin as prescribed in the Customs Act 1901.

Information regarding compliance can be found on the Customs Web Page:

<http://www.customs.gov.au/site/page5498.asp>

<http://www.customs.gov.au/webdata/resources/files/PS200913-ig-AUSFTA.pdf>

We understand that if we do not indicate which rule applies we cannot claim preferential rates of duty per AUSFTA.

I agree to maintain and present on request, documentation necessary to support this statement. I further agree to inform, in writing, all persons to whom the statement was given about changes that could affect the accuracy or validity of this statement.

We understand that failure to produce documentation supporting claim of preferential rates of duty via AUSFTA could result in penalty action by Australian Customs & Border Protection Service.
